

wanstor

**Empowering
your mission
with seamless,
cost-effective
IT solutions**

Enhancing Service Delivery and Volunteer Productivity

In the not-for-profit sector, technology should be an enabler – not a burden. At Wanstor, we understand the unique challenges charities, NGOs and social enterprises face: limited budgets, compliance requirements, and the need for seamless collaboration.

Tech to keep your business ready for tomorrow

Our tailored IT solutions ensure you can focus on your mission while we take care of your technology.

Proud to work with some of the UK's most well-loved brands

Our long-lasting relationships go hand-in-hand with our decades of experience, success and reputation across the UK.

Solutions we help with

Business Transformation

Technology-driven transformation is essential for staying competitive.

Key Challenges Addressed

Legacy Systems Holding You Back:

Outdated IT infrastructure slows down innovation

Our Solutions

IT Modernisation: Upgrade legacy systems with cloud-based, scalable solutions

Business Outcomes

Future-Proofed Business: Stay competitive with modern, scalable technology

Managed Operations

Optimised operations are the backbone of a successful business.

Key Challenges Addressed

IT Complexity & Downtime: Managing multiple systems, networks and apps without disruption can be overwhelming

Our Solutions

End-to-End IT Management: We provide proactive monitoring, maintenance and support to keep you running smoothly

Business Outcomes

Reduced Downtime: Proactive management minimizes disruptions and improves service reliability

Secure Productivity

In today's hybrid work environments, security and productivity go hand in hand.

Key Challenges Addressed

Cybersecurity Threats: Increasing cyber risks demand robust yet balanced security measures

Our Solutions

Zero Trust Security: We implement robust access controls and authentication protocols to prevent breaches

Business Outcomes

Stronger Security Posture: Safeguard your business from cyber threats and data breaches

Why Choose Wanstor?

- ✓ **Expertise:** With years of experience in the industry, we have the knowledge and skills to deliver top-notch IT solutions.
- ✓ **Customer-Centric Approach:** We prioritise your needs and work closely with you to ensure our solutions align with your business objectives.
- ✓ **Comprehensive Services:** From data analytics to cybersecurity, we offer a wide range of services to meet all your IT needs.
- ✓ **Proven Track Record:** Our successful projects and satisfied clients speak to the quality and reliability of our services.

We believe in empowering charities by providing robust, scalable technology solutions, understanding that slow adoption of new technologies, convoluted processes, and limited resources hamper the impact you seek to make.

Our service delivery framework and dynamic support desk model enable seamless end-user experiences, freeing you to focus on what matters most: transforming lives and advocating for the vulnerable.
